JUDGING AND SCORING: The skimboarder who completes the most radical, controlled maneuvers, in the most critical section of the biggest and/or best waves, for the longest functional distance, will earn the highest scores. The competitors will be judged on their top 7 rides. Scores are totaled and riders ranked 1 to 4 by each judge, then 3 judges rankings are totaled lowest total wins. Example: (three 1sts = 3) (three 4ths = 12) (one 2nd + two 3rds = 8)

CUTOFF penalty: Waves belong to the FIRST rider to clearly maneuver into position closest to the curl, or signal his intentions, verbally or otherwise.

CUTOFF PENALTY: the guilty rider could lose his highest scoring ride off his total score from each judge. Risk a cutoff and risk the heat as the rules will be strictly enforced.

HEATS: Heats will be arranged based on previous contest experience listed on entry form. The heats will be arranged and seeded in advance with the most experienced skimmers spread out as far apart as possible. There will usually be 4 competitors per heat, and the 2 highest scores will advance.

Contestants should plan to be at Aliso Beach for TWO FULL DAYS. If you are not there when your heat is called, you will be disqualified.

PARKING is available at the pier and on the inland side of Pacific Coast Hwy. Limited free parking is available along PCH and above West St. Arrive at Aliso before 9:00am to ensure that you get a parking space and plan to stay the whole day. You can pay for parking at the automated ticket machines.

No promotional banners or tents allowed except for Official Contest Sponsors.

At this time, awards are scheduled to be on the beach directly following the contest on Sunday afternoon.

We will be using 3-5 judges this year along with a spotter in the tower for helping judges when riders go in different directions at the same time.

We will not be seeding as many contestants as far into the rounds, especially in the Pro division.
